Operation Night Raid

▶ Mysuru City Corporation reins in public waste disposal

▶ Litterbugs face penalties from Rs. 200 to Rs. 5,000

Dr. Venkatesh

Mysuru, July 4 (PM&BS)- In a novel and proactive measure, the Mysuru City Corporation (MCC) has initiated a crackdown on individuals disposing of waste illegally in the city, particularly during night time. Termed 'Operation Night Raid', this effort aims to curb the unauthorised dumping of waste on roadsides and vacant sites, imposing fines on violators.

Despite the presence of a structured waste collection system for households and commercial areas, there has been a notable increase in littering waste in public spaces, particularly after dusk. Many members of the public and vendors have been observed bringing sacks of waste and discarding them at will, posing a significant sanitation challenge for MCC.

A Mysuru City Corporation Health Inspector issuing fine receipt to the offender for littering waste in public place at J.P. Nagar in city yesterday.

Dr. N.P. Venkatesh, Senior Health Officer of MCC, emphasised that bulk waste generators such as fast food vendors, roadside vendors and hoteliers are required to hand over their waste to MCC's garbage collection vehicles every morning. However, a substantial number of them have adopted unhealthy practice of disposing of waste wherever and whenever convenient.

Enforcing compliance

"To address this issue, Operation Night Raid was launched

Surveillance teams in all 65 Wards; No more waste dumping wherever and whenever convenient

on June 29 and since then, penalties have been imposed on offenders," Dr. Venkatesh stated. The initiative aims to deter such practices and enforce compliance with waste disposal regulations to maintain cleanliness and hygiene in the city.

Dr. Venkatesh explained that MCC has assigned one team comprising a Pourakarmika and a Supervisor to each of the 65 wards. These teams patrol their respective wards in dedicated vehicles during Operation Night Raid.

M.G. Road stretch is NO-PARKING ZONE

Mysuru, July 4 (RK&BCT)- After successfully clearing the once congested Mahatma Gandhi Road in Mysuru City of traffic snarls caused by haphazardly parked vegetable-laden vehicles, wandering vendors, roadside vegetable sales, foraging cattle and stray dogs, City Police Commissioner has now designated it as a no-parking zone for all types of vehicles, near vegetable market.

This notification was issued last evening by Police Commissioner Ramesh Banoth banning parking from the Manasa Road Junction to Underbridge on M.G. Road, both north and south sides. No vehicle will be allowed to park on this stretch.

The M.G. Road is one of the major roads coming under the jurisdiction of Siddharthanagar Traffic Police Station which serves as a vital link to various key locations such as the Zoo, Karanji Lake, Lalitha Mahal Palace and more.

Additionally, this road provides access to government offices, hospitals, prominent hotels, commercial buildings and residential areas.

The parking ban will facilitate the smooth movement of ambulances, vegetable transport vehicles and other public transport on both sides of the M.G. Road, ensuring efficient connectivity across the city, the notification stated.

Dengue DEATH

Hunsur Taluk Community Health Officer dies

Mysuru, July 4 (KS)- Dengue cases are increasing day by day and the fever has claimed its first victim in Mysuru district. The deceased is Nagendra (28), who was serving as Community Health Officer at Gurupura Primary Health Centre in Hunsur taluk. Following fever, Nagendra was admitted to a hospital in Mysuru, where he died on Tuesday.

According to Taluk Health Officer Dr. Keerthikumar, Nagendra of Nanjangud was married to Jyothi, a nurse, 8 months ago and was residing in Mysuru city.

Champaka monthly cultural event on July 6

Mysuru, July 4- As part of 'Champaka Rashtreeya Kalaa Utsava,' the monthly cultural series to promote Indian art and culture under the aegis of Champaka Educational and Cultural Trust, the 'Jyeshtha' edition will be held on Saturday (July 6) at 4.30 pm at the Champaka Academy premises in Ramakrishnanagar.

The evening will start with a solo Bharatanatyam performance by Shreya Kashyap, daughter and disciple of Vidushi Dr. Nagalakshmi Nagarajan, Founder of Champaka Academy. Shreya started learning Bharatanatyam when she was 3-years-old and learnt for many years under Guru Dr. Vasundhara Doraswamy. Later she continued her tutelage under her mother.

After the first presentation, disciples of Vidushi Sunitha Sukumaran, Founder and Director of Sri Krishna Kalaalaya, Bengaluru, will be presenting a Bharatanatyam performance followed by another Bharatanatyam feature by the disciples of Guru Vidwan R. Kannan, Director of Nandini Nirthyalaya, one of the oldest and prestigious dance institutions in Mysuru.

Prof. M.S.K. Narahari Babu, Founder-Principal and Secretary of Sadvidya Educational Institutions, Mysuru, will be the chief guest.

New team for ISHRAE

The new team members are: Arani Srinivas - President, K.B. Bhaskar - President-Elect, N. Nagabhushan - Secretary and S.G. Rajesh - Treasurer.

Also, Chapter Working Committee (CWC) Members and Chairs of various technical committees were installed on the occasion.

EDITOR'S BOTTOMLINE

MAKING THE WEAPONS HAPPY: ***The eleventh mantra of*** *Apratiratha Sukta* ***talks of weapons. Maghavan in the verse can be interpreted as a reference to Vishnu and so the weapons*** *(ayudhaani)* ***being spoken of are His, said V.S. Karunakarachariar in a discourse. Furthermore, the weapons can be taken to be specifically referring to those of Lord Trivikrama of the temple in Thirukkovalur in Tamil Nadu. Here Trivikrama holds the conch in the right hand and the chakra in the left. This is to place the impression of these two weapons on the shoulders of devotees, a required initiation ritual for Sri Vaishnavas. The Lord gladdens His weapons, when He uses them to bring people into the Sri Vaishnava fold. The word*** *ayudhaani* ***is plural. If one takes into consideration only the chakra and conch, how can the plural usage, instead of the dual, be explained? The answer to this objection is that if these two main weapons of the Lord, namely the chakra and conch are happy, then automatically all His other weapons too will be happy. In Tamil*** *pasurams* ***and in the works of Vaishnava Acharyas, we find a reference only to the chakra. But such references are taken as encompassing all His weapons.***

For example, the Acharya Nadadur Ammal said the impression of the chakra conferred the status of Sri Vaishnava on an individual. The discus is the chief among the Lord's weapons. And when the chakra brings devotees close to the Lord, then all His weapons are joyful. *—In The Hindu*

Man stung by bee in the eyeball

Philadelphia: In one of the few medically documented cases, a Philadelphia man was stung by a bee directly in the eyeball and had to endure some serious consequences.

A 55-year-old Philadelphia man reported to the emergency room with severely deteriorated vision and pain in his right eye after being stung by a bee in the eyeball two days prior. The patient told doctors that he had gone to the hospital immediately after getting stung, and doctors there had extracted the bee stinger and sent him on his way. Only it turned out that they hadn't done that good of a job and a piece of the stinger remained embedded into the man's eyeball.

Inspecting the man's eyeball with a microscope with a bright light, doctors were able to identify the problem – a sharp stinger fragment right at the border between the man's cornea and the white of his eye. They pulled it out with ophthalmic-specific micro-forceps and prescribed topical antibacterial and prednisolone eye drops.

Woman learns she is married after losing passport

St. Petersburg: A 24-year-old Russian woman recently got the shock of her life when learning that she had been married to an Egyptian citizen since 2022, about a year after losing her passport.

The unnamed St. Petersburg resident lost her passport in 2021. Despite informing the Police, she never bothered getting it reissued. But earlier this year, while trying to have a birth certificate issued for her baby, the young woman learned that her husband, an Egyptian man named Mustafa, needed to be present as well. She had never met Mustafa, let alone marrying him, but the Russian registry listed him as her spouse.

Bengaluru-Murudeshwar train via Mysuru has odd timings

Sir,

The daily train from Bengaluru to Murudeshwar via Mysuru has been frequently reaching Mysuru at an inconvenient time (12.30 am). Additionally, it arrives in Mangaluru late, around 10 am.

These delays are causing significant difficulties for all passengers, particularly regular commuters who cannot reach their offices on time. The overnight journey has become exceedingly tedious due to these odd timings. Furthermore, the same train travelling from Murudeshwar to Mysuru via Mangaluru arrives in Mysuru at an inconvenient hour (3 am). Commuting within Mysuru city at such an odd hour to reach home is very risky in the present times.

Additionally, the train compartments are infested with rats and cockroaches, which destroy luggage containing edible items.

I hope that the Railway authorities concerned will address these issues promptly, making the journey more comfortable by adjusting the timings and improving the hygiene conditions on the train.

Dr. M.G.R. Urs decries assault on doctors

Mysuru, July 4 (MTY&TRR)- "People call Doctors as God, but assault them even when they are at no fault which is deplorable," opined retired Medical Officer and President of District Chutuku Sahitya Parishat (KSP) Dr. M.G.R. Urs

Dr. Urs was speaking after inaugurating National Doctors Day celebrations organised by District Kannada Sahitya Parishat (KSP) at Namana Kalamantapa in city on Monday. "There are people who call doctors as God and say '*Vaidyo Narayano Hari.*' But doctors are not God. They function as representatives of God. They are performing the duty of treating people with health issues and people must understand this," said Dr. Urs.

Expressing his anguish about the reported assaults on doctors, he said that, doctors do their best to improve health condition of their patients and their lives.

"But, we are hearing reports of assault on doctors when the treatments don't bring expected results. This has compelled doctors to work under stress," added Dr. Urs.

Stating that National Doctors Day is observed across India to commemorate the birth anniversary of country's role model Dr. B.C. Roy, his legacy and humanitarian values, he said that even when Roy was holding the Office of Chief Minister of West Bengal, he was carrying out his duty as a doctor.

Dr. Roy was treating his patients for two hours daily which is an indication of his commitment and love for the medical profession, said Dr. Urs.

He concluded by advising doctors not to ignore their profession, even as they pursue their other interests.

Dr. Jayashree, Dr. Srinivas, Dr. H. Hanumanthappa, Dr. Nyruthya and Dr. Soumya Gururaj were felicitated at the function to commemorate National Doctors Day. Cultural programmes like reciting of limericks, singing, reading of modern Vachanas and others were organised as part of the event.

District KSP President Maddikere Gopal presided. Social activist Dr. K. Raghuram Vajapayee, Sanskrit Scholar Dr. K. Leela Prakash, KSP Hon. Secretary M.N. Latha Mohan and others were present.

K.N. Suresh Nayak takes charge as MyMUL Managing Director

Mysuru, July 4 (MTY&DM)- Senior Officer K.N. Suresh Nayak took charge as the new Managing Director of MyMUL (Mysore Milk Union Limited) at the Mega Dairy on Bannur Road at Alanahalli here yesterday.

Suresh Nayak, who was serving at Dharwad Milk Union, was recently transferred and posted as MyMUL MD in place of B.N. Vijaykumar, who retired upon superannuation on June 30.

Marketing Manager H.K. Jayashankar, Dairy Manager B.L. Shwetha, Technical Manager S. Girija and other officials were present on the occasion.

Farewell to B.N. Vijaykumar, who retired as MyMUL MD

Mysuru, July 4 (SBD&DM)- MyMUL Managing Director B.N. Vijaykumar was given a warm farewell upon his retirement at a simple ceremony held at its premises here recently.

Speaking after being felicitated, Vijaykumar said that he began his career in KMF (Karnataka Milk Federation) as a Technical Officer at Shivamogga in 1987.

He later served at Davangere, Ballari and Bengaluru for a total of 7 years, during which many popular Nandini products such as *Mysore Pak* were introduced in the markets. In 2004, he served in NMP Quality Control Section and in 2008, he introduced Nandini Goodlife product in other States.

Vijaykumar further said that he played a key role in the establishment of new KMF Plant at Channarayapatna in 2010, following which he served as the KMF Managing Director at Kalaburagi, during which the Dairy recorded a profit of Rs. 2 crore by enhancing milk procurement.

The other development works that took place included establishment of 4 new machineries at Dempodi, Mangaluru and setting up of 10 lakh litre processing capacity plant at Ramanagara.

He also recalled his services at Mysuru and thanked everyone for their support.

'COVID pandemic made people aware of doctors role'

Mysuru, July 4 (BS)- "The COVID-19 pandemic that struck the country opened the eyes of the world to the greatness of the doctors and their essentiality," said Dr. Anil.

He was speaking during National Doctors Day celebration organised by Mysuru and Chamarajanagar Pradhan Mantri Jan Aushadhi Kendra Owners Association at Kanti Mallanna Kalyana Mantap, Kabir Road in city. Doctors from various hospitals were felicitated.

The world of doctors exists for the well-being of the people, and thousands of doctors have even lost their lives in the line of duty. Be it the doctors of any specialisation, they should develop the mindset of keeping the welfare of the patients above their personal interests. The service rendered by Dr. B.C. Roy (whose birth anniversary is celebrated as National Doctors Day), should be an inspiration for both senior and junior doctors, added Dr. Anil.

The medical education is becoming costlier, inevitably leading to a rise in treatment costs. Even though it is difficult to provide education free of cost, it should be made affordable to common man, he said.

Following doctors from different hospitals were felicitated on the occasion; Dr. M.S. Shivakumar, Dr. M. Ramya, Dr. R. Manimala, Dr. Vanishri, Dr. Anil and Dr. Shankaraiah.

Distributor of Pradhan Mantri Jan Aushadhi Kendra M. Lokesh, Association Office-bearers G. Harsha, Umesh, Girija, Lakshmi, Kishore, Mallesh and Prema Kumari, Supervisor of Jan Aushadhi Kendra Anupam Pathak, J. Nagamani, Darshan Murthy and proprietors of other Jan Aushadhi Kendras were present.

Probe panel asks MUDA officers not to take leave

Mysuru, July 4 (RK&BCT)- The inquiry committee members, who are currently stationed at the Mysuru Urban Development Authority (MUDA) office to investigate irregularities in site distribution, have instructed officials and staff not to take leave and to be available whenever called for questioning.

Led by R. Venkatachalapathi, Commissioner of Urban Development Authorities and Town and Country Planning, the 5-member committee began its preliminary inquiry by summoning all section officers and staff to record their names, phone numbers and designations. The committee members, individually called the staff and sought their cooperation in the probe. Tasked with submitting their report to the Government within four weeks, the committee completed extensive preliminary work yesterday, staying late into the night at the MUDA Office.

Head of the inquiry committee that is investigating MUDA scam, R. Venkatachalapathi (2nd from left), Commissioner of Urban Development Authorities and Town and Country Planning, comes out of the MUDA office late last night accompanied by MUDA Commissioner A.N. Raghunandan, Deputy Director Prakash, Joint Director M.C. Shashikumar and other members.

Section heads and officers were instructed to inform their staff about the requirement to remain at the office until the investigation is complete. Leave should only be granted in emergencies and even section heads were asked to postpone their leave plans.

Files, records and electronic transactions related to the 50:50 ratio site distribution were summoned to the Commissioner's Office for scrutiny. Specifically, the files of alternative sites distributed in lieu of land acquisition were requested following complaints about the distribution of more than 60 sites, instead of just one, by fabricating documents.

These documents pertain to sites distributed over the last two years in R.T. Nagar, J.P. Nagar, Vijayanagar and Dattagalli, where MUDA has provided all basic facilities and where land rates are high.

MUDA Commissioner A.N. Raghunandan, who had gone to Bengaluru shortly after taking charge on Tuesday evening, rushed to Mysuru and reported to the team at 12.30 pm yesterday. As the team will remain in Mysuru until the investigation is complete, their accommodation has been arranged at the Government Guest House.

GTD had sought info from Commr. on June 25

MLC C.N. Manjegowda denies allegations of engaging in extra-legal transactions

Mysuru, July 4 (RK&BCT)- Chamundeshwari MLA G.T. Devegowda (GTD), who is also a member of the Mysuru Urban Development Authority (MUDA), sought information from then MUDA Commissioner G.T. Dinesh Kumar on June 25 regarding the allotment of sites under a 50:50 ratio.

"I asked the Commissioner to reply to my letter within seven days, considering the observations made by MUDA Chairman K. Marigowda in his letter regarding the distribution of incentive sites. Marigowda mentioned in his letter that although incentive sites were distributed to certain land losers years ago, sites were illegally given away again in violation of rules," GTD said.

"I requested the Commissioner to table the reports of site distribution after gathering information from the Special Land Acquisition Officer, the technical division of MUDA, the engineering section, and surveyors. My letter also asked the Commissioner to put on hold the distribution of incentive sites until the Government approves it," the MLA added.

GTD mentioned that Marigowda had sought information about the number of sites distributed under the 50:50 ratio since 2021. "As I had no visibility into this, I asked the Commissioner to provide me with the information within seven days," he recalled.

Manjegowda denies allegations

MLC C.N. Manjegowda has firmly denied allegations of engaging in extra-legal transactions within the MUDA, stating that he would retire from political life if proven guilty. This response comes after MLC H. Vishwanath accused Manjegowda of roaming the corridors of MUDA with files like an attender.

G.T. Devegowda *C.N. Manjegowda*

Speaking to reporters yesterday, Manjegowda highlighted his elected status by representatives in Mysuru and Chamarajanagar, contrasting himself with Vishwanath, who was nominated by the BJP.

"I have been an elected member of the Gram Panchayat and Taluk Panchayat and have been serving the public for the past 35 years, including as the President of Mysuru APMC. People naturally come to me for solutions to their problems, and I need to continue working for them," he said.

Emphasising his commitment to public service, Manjegowda dismissed Vishwanath's accusations. "There is no need to take Vishwanath's words seriously. He has criticised everyone from the President of the United States to Prime Minister Narendra Modi, former PM H.D. Deve Gowda, CM Siddaramaiah and former CM Yediyurappa," he remarked.

Misuse of political power

Manjegowda also accused BJP leader R. Raghu Kautilya, who has demanded a CBI probe into MUDA affairs, of misusing political influence to violate MUDA rules. He alleged that on April 27, 2017, Raghu obtained a 1202-sq.ft MUDA Civic Amenities (CA) site in the name of Sri Venkateshwara Charitable Trust in Bogadi to construct a girl's hostel.

"Raghu Kautilya exerted political pressure to obtain 43,560-sq.ft alternative land in Kanakadasanagar, originally meant for a veterinary hospital, without paying additional money for the plot, causing a loss to MUDA. This site must be taken back by the Government," Manjegowda demanded.

"For the past 15 years, I have been advocating for the rights of farmers who have lost their land unjustly. In the 50:50 scheme, farmers have not received land. I will raise this issue in the Assembly, along with evidence, and demand justice," he added.

CPI(M), SUCI(C) demand judicial investigation into MUDA affairs

Mysuru, July 4 (RK&BCT)- The Mysuru unit of the Communist Party of India (Marxist) has demanded a judicial probe into alleged irregularities in site allotments by the Mysuru Urban Development Authority (MUDA).

Jagadish Surya, Secretary of the CPI(M), criticised MUDA for deviating from its intended purpose of providing sites at concessional rates to those without residential dwellings, accusing it instead of favouring real estate interests.

The CPI(M) also called for the transfer of long-serving MUDA officials and staff, alleging their complicity in perpetuating the alleged irregularities.

The protesters highlighted the plight of thousands living in rented accommodations for decades, awaiting site allotments from MUDA. They criticised MUDA for eroding public trust.

Meanwhile, C. Ravi, the District Secretary of the Socialist Unity Centre of India (Communist), is calling for a comprehensive and unbiased investigation into alleged irregularities within MUDA.

According to Ravi, MUDA, which was established to ensure planned development, has strayed from its primary mission of providing housing to economically disadvantaged individuals.

In his statement, Ravi pointed out that instead of fostering planned growth, MUDA has disproportionately allocated housing to those who already own property, neglecting the basic needs of the poor. This misallocation has resulted in unauthorised slums around the city where essential services are lacking due to inadequate planning.

"For fairness and efficiency, it is crucial to address these deficiencies and rectify the situation for the benefit of the underprivileged residents," Ravi noted.

Workshop on Tourism Policy 2024-2029 held in Bengaluru

Tourism Minister H.K. Patil rules out Goa model casino tourist attractions; to focus on heritage

Tourism Minister H.K. Patil** (2nd from right) **watering a sapling to mark inauguration of workshop on Karnataka Tourism Policy 2024-2029 in Bengaluru yesterday as Tourism Department Principal Secretary Salma Fahim, Karnataka Exhibition Authority Chairman Ayub Khan, Jungle Lodges & Resorts Limited Chairman & MLA Anil Chikkamadu and others look on.

Mysuru, July 4 (BCT)- A workshop on Karnataka Tourism Policy 2024-2029 organised by Tourism Department was held at Hotel Lalit Ashok in Bengaluru yesterday and attended by over 500 tourism stakeholders including transport companies, hoteliers, trade bodies, experts and local associations, film chamber personalities, policymakers and officials from across the State.

The Mysuru district was represented by Karnataka Exhibition Authority (KEA) Chairman Ayub Khan and the Chairman of Jungle Lodges & Resorts Limited MLA Anil Chikkamadu. Tourism Department Principal Secretary Salma Fahim was also present.

Ayub Khan told *Star of Mysore* this morning that the workshop was held predominantly to discuss the tourism policy that will be implemented from 2024 to 2029. "Mysuru and its tourist places too figured in the discussions where plans were communicated to attract more revenue-based tourism, facilities for tourists and other related matters," he said.

Inaugurating the workshop, Tourism Minister H.K. Patil emphasised the necessity of a robust partnership among the Government, public, and private sectors for the development of tourism in Karnataka. He addressed various suggestions received, particularly rejecting proposals to introduce activities like casinos to boost tourism.

No casino-based tourism

"Developing tourism akin to the Goa model, which includes ideas such as introducing casinos for revenue generation, has been proposed by many. However, I firmly oppose this approach. Permitting casinos will not be part of our strategy to enhance tourism in Karnataka. The Government will unequivocally dismiss such proposals," he declared.

The new tourism policy aims to elevate Karnataka as a leading tourist destination, focusing on investment, infrastructure, heritage and technology. Minister Patil underscored the importance of collaborative efforts among the Department, public, and private sectors.

"We are not merely conducting meetings to draft policies. We are actively seeking input from stakeholders at tourist spots. This workshop serves as a platform for all voices to contribute," he elaborated.

Minister Patil highlighted the growing trend of luxury travel and underscored showcasing Karnataka's rich art, heritage, historical sites, monuments, coasts, beaches, forests, waterfalls and wildlife. He advocated educational tours that blend knowledge, entertainment and cultural experiences for children.

"Religious, educational, agricultural and adventure tourism must be prioritised. Development of coastal sports and regions remains a key ambition. Government is committed to comprehensive tourism development and we seek broad support for our initiatives," he said.

Regarding heritage conservation, Minister Patil discussed ongoing efforts to protect monuments, including the adoption of 12 monuments for conservation. "Infrastructure development at world heritage sites is a priority and we urge public support in this endeavour," he added.

Vishnuvardhana takes charge as Mysuru SP

Outgoing SP Seema Latkar told not to take charge as City Police Commissioner till further orders

Mysuru, July 4 (RK&KS)- N. Vishnuvardhana, who was serving as the Superintendent of Police (SP) of Uttara Kannada district, took charge as the SP of Mysuru district from outgoing SP Seema Latkar, who has been transferred as the Police Commissioner of Mysuru city as per the Government order dated July 2, 2024.

N. Vishnuvardhana

Meanwhile, sources said that Seema Latkar, who was supposed to take charge as Mysuru City Police Commissioner from outgoing Commissioner Ramesh Banoth, has not received any written directions from the Government and only oral instruction has been given to her to not to take the charge till further order.

Sources added that the movement order issued to Ramesh Banoth states that he has to hand over the charge and only then move from the present post and hence the transferred City Police Commissioner will stay in the present post till a designated officer relieves him.

Meanwhile, when *Star of Mysore* asked former SP Seema Latkar as to when she will be taking charge as the City Police Commissioner, she said that she would inform later.

Operation Night Raid

(Continued from page 1)

If individuals are caught disposing of waste illegally, the team notifies the Health Inspector, who then visits the site to impose fines on the offenders. However, Health Inspectors are not accompanying the night teams due to their morning duties.

Waste management challenges

Penalties ranging from Rs. 200 to several thousand rupees have been levied in numerous cases. Violators found dumping large quantities of waste, transported by autos and other vehicles, face fines of up to Rs. 5,000.

The collected waste is currently diverted to Zero Waste Units located at Kesare and Rayanakere in the outskirts, as dumping at the Sewage Farm in Vidyaranyapuram has been temporarily halted.

In response to escalating waste management challenges, MCC has intensified its efforts to uphold cleanliness across the city. This includes deploying four road-sweeping machines and operating over 330 auto tippers for daily household waste collection, alongside 16 vehicles dedicated to commercial areas.

Despite these efforts, the disposal of waste in public spaces remains pervasive, particularly along the Outer Ring Roads (ORR). This practice not only undermines scientific waste disposal practices but also poses a barrier to maintaining Mysuru's 'Clean City' status under the Swachh Bharat Mission.

Rousing welcome to Team India

T20 World Cup heroes interact with PM at his residence in Delhi

The Indian cricket team, led by Rohit Sharma, met Prime Minister Narendra Modi at his residence in Lok Kalyan Marg, New Delhi this morning. The PM had hosted special breakfast for the T20 World Cup-winning team during which he listened to the experiences of the World Cup heroes in the USA and the Caribbean. Earlier in the morning, the Indian team, the members of support staff and around 20-odd members of media arrived at New Delhi Airport, in a special chartered plane, where they were accorded a rousing reception. Notably, the chartered plane was arranged by the BCCI to bring home the World Cup heroes who were stranded for three days in Barbados, which was hit by Hurricane Beryl. Later today, Rohit Sharma and his teammates will be on victory parade in a special open-top bus along Marine Drive in Mumbai for a 1-km stretch and BCCI Secretary Jay Shah will hand over the trophy and the prize money of Rs. 125 crore to Indian players in the felicitation ceremony at the iconic Wankhede Stadium.

CCTV cameras to keep an eye on litter louts

Mysuru, July 4 (PM&BS)- Mysuru City Corporation (MCC) Senior Health Officer Dr. N.P. Venkatesh announced that in addition to 'Operation Night Raid,' MCC Commissioner has decided to install CCTV cameras at selected locations to monitor public waste disposal.

Although specific locations for the cameras have not yet been finalised, each Ward may expect to receive 2 to 3 cameras within the next month.

Dr. Venkatesh highlighted that these cameras will operate on solar energy, ensuring sustainability in usage. Moreover, to deter theft attempts, cameras will be equipped with technology that can track their location and capture images of any perpetrators involved in tampering with them.

The initiative aims to enhance surveillance and enforcement measures against illegal waste disposal in public areas, reinforcing the MCC's efforts to maintain cleanliness and uphold sanitation standards in Mysuru.

Mandya District Administration prepares for trial blast at Bebi Betta

Pandavapura, July 4 (MR&DM)- Following a High Court order allowing conduct of trial blast in stone mining areas of Bebi Betta in Pandavapura taluk, the Mandya District Administration has begun preparations for conducting trial blast in select areas of Bebi Betta stone mining range to find out if there is any danger or threat to nearby KRS dam if stone mining is allowed in the vicinity of Bebi Betta.

As a first step in this regard, the Mandya District Administration conducted mechanised drilling of holes in select areas. Scientists from Central Institute of Mining and Fuel Research, Dhanbad, Jharkhand, are arriving at Bebi Betta to guide the trial blast operations. Based on the directions of the arriving scientists, the officials have made necessary arrangements for blasting at five points that are selected by scientists of the Department of Mines and Geology, Reshma and Nagamadhu. The Five points are- Bebi Betta Quarry Nos.1 and 2, SLV, STG and Sriramalingeshwara Quarry.

As per the instructions of scientists, the authorities have made preparations by drilling holes at 5.8 Km from KRS Dam, where 20 holes have been drilled. Drilling of holes measuring 60 to 80 ft. deep have been drilled thereafter at a distance of 6.27 KM, 8.10 KM and 20 KM from KRS Dam.

The drilling of holes will be completed today and the trial blast is scheduled to take place on Saturday or Sunday. With the locals and farmer organisations opposing stone mining near KRS Dam, Police have provided tight security covering the entire area.

Pro and anti-farmer protests at KRS

Pandavapura, July 4 (MR&DM)- With the Mandya District Administration going ahead with the preparations for trial blast at Bebi Betta, several farmer organisations staged protests for and against the blast near KRS Dam in Srirangapatna taluk 1on Wednesday.

Farmers under the banner of KRRS led by Badagalapura Nagendra staged a protest against the blast by blocking the road that runs at the front gate of the dam, while another group of farmers led by Ingalakuppe Krishnegowda staged a demonstration in front of the Irrigation Department office, demanding submission of the trial blast report to the High Court.

Adressing the protestors, Krishnegowda said that the High Court has directed the Mandya District Administration to conduct trial blast at Bebi Betta and submit a report on whether the safety and stability of KRS Dam is threatened by stone mining in its vicinity. Accordingly, the District Administration should conduct trial blast and submit accurate report with no scope for any ambiguity.

Farmer leaders Hemmige Chandrashekar, P.M. Ravigowda, Kemparaju, S. Nagarathna, Raghunath and others were present.

The group of farmers led by KRRS Mandya district President A.L. Kempugowda opposed the blast saying that stone mining will pose a threat to the safety and stability of KRS Dam which is the lifeline of farmers of Cauvery basin. Stating that the KRRS has been opposing the trial blast since the beginning, the protestors alleged that the officials were only favouring stone quarry owners, while completely ignoring the interests of the farmers and the safety of KRS Dam. KRRS leaders H.L. Prakash, Priya Ramesh, Shambhugowda, Pandu, Jayaram, P.R. Ramesh, Prabhu, Vijikumar, Mahadev, Manju, Krishna, Lingappaji, Ravindra and others were present.

Police foil BJP's attempt to lay siege to MUDA office

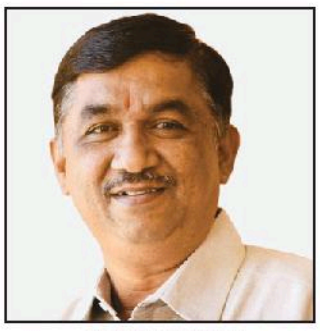
Mysuru, July 4 (MTY&DM)- Even as the BJP continued its statewide protest over the alleged MUDA (Mysuru Urban Development Authority) scam involving thousands of crores of rupees, the Police foiled the city BJP Unit's attempt to lay siege to MUDA office on JLB road this morning, seeking the resignation of Urban Development Minister Byrathi Suresh whom they claimed is involved in the scam.

Over a hundred BJP workers who gathered at the BJP office in Chamarajapuram, went in a procession to the MUDA office shouting slogans such as 'MUDA Rakshishi' (Save MUDA) against CM Siddaramaiah and demanding the resignation of Minister Byrathi Suresh. But as the procession reached Ramaswamy circle, the Police took BJP workers into preventive custody, thus foiling the party's plan to lay siege to MUDA office.

Former Mayor Shivakumar, BJP leaders Rakesh Gowda, Jogi Manju and others were present.

CA site was for education, not for veterinary hospital

Raghu Kautilya responds to MLC Manjegowda's allegations of land grab; threatens legal action



Raghu Kautilya

Mysuru, July 4 (BCT)- President of State BJP OBC Morcha, R. Raghu Kautilya, has responded to statements made by MLC C.N. Manjegowda, clarifying that his educational institution at Dattagalli is situated on a Civic Amenity (CA) site allocated by the Mysuru Urban Development Authority (MUDA). ***See also Page-4.***

This allocation was specifically designated for an educational institution, contrary to Manjegowda's assertion that it was intended for a veterinary hospital.

Raghu Kautilya clarified the circumstances surrounding the land granted by MUDA for the educational institution at Dattagalli and emphasised that the allocation of land was conducted in adherence to legal provisions and was not a violation of MUDA rules.

"The land granted by MUDA at Dattagalli pertains to the earlier land allocation for the institution at Bogadi and complies with the directives of the Karnataka High Court. The decision was endorsed by the MUDA Board to avoid potential contempt of Court proceedings," Raghu Kautilya stated in a press release.

"The land (Civic Amenity site) that was allotted to the institution at Bogadi was granted to others and as rules stipulate that one acre of land is required to start a school, MUDA had offered an alternative site in place of the land at Bogadi. We did not ask for any particular land to be granted and as such, MUDA zeroed in on an existing school at Dattagalli and granted us space to construct our institution," Raghu Kautilya clarified.

Addressing Manjegowda's claims about political influence, Raghu Kautilya reiterated, "We did not seek preferential treatment or specific land allocation. MUDA identified an appropriate site in compliance with regulations, which was essential for initiating the school project. We have paid the full amount of CA site allocation to MUDA as per rules."

"The land was rightfully allocated for educational purposes, not for a veterinary hospital and we have utilised it accordingly. Any allegations suggesting otherwise are baseless and unsubstantiated," he said.

He pointed out that the MUDA Board had approved the CA site grant for educational purposes. Raghu Kautilya questioned why MLC Manjegowda, who was also present as a member of MUDA at the time of approval, did not oppose it then but is opposing it now.

"Over the past 35 years of my public life, I have maintained transparency and have been involved in establishing educational institutions for the past 20 years, steering the wheel of education forward without encroaching on parks or misusing any land provisions," he noted.

Mentioning that he would take political retirement if any allegations of land grab are proven against him, Raghu Kautilya said, "Legal action will be taken against those who spread falsities against me and my educational institution."

Gujarat Handicrafts Utsav

at JSS Mysore Urban Haat from July 5 to 14

Mysuru, July 4- Industrial Extension Cottage (Indext-C), Government of Gujarat, is organising 'Gujarat Handicrafts Utsav' at JSS Mysore Urban Haat in Hebbal from July 5 to 14. The exhibition-cum-sale of handloom and handicraft artefacts by artisans of Gujarat will be open for visitors from 10 am to 9 pm.

Indext-C, functioning under the Department of Industries and Mines, Government of Gujarat, is dedicated to boosting the livelihoods of artisans by providing them with a platform to showcase their artwork. This initiative supports artisans from distant villages who continue to pursue traditional craftsmanship under the Cottage and Rural Industries sector.

During this Utsav, a 3-day cultural programme of traditional Gujarati Ras-Garba has been organised in collaboration with Sports, Youth and Cultural Activities Department, Gujarat, from July 5 to 7.

Notable artisans, including award-winning craftsmen and those preserving nearly extinct arts, will conduct live demonstrations. Over 70 master craftsmen from Gujarat will participate, displaying and selling their exquisite works such as Patola weaving, Shawl weaving, Kutchi Embroidery, Ajrakh Block Print, Tie & Dye (Bandhej), Leather-work, Copper Bell, Mud mirror work, Zari-zardosi work, Bead work, Agate articles, Chaniyacholi, Applique work, Wooden & Metal work, Jewellery, accessories, Home decor and furnishings.

The event will be inaugurated on July 5 at 4 pm by P. I. Srividya, Mission Director, National Urban Livelihood Mission, Bengaluru. Dr. C.G. Betsurmath, Executive Secretary, JSS Mahavidyapeetha, will preside.

N.D. Parmar, Executive Director, Indext-C, Gujarat, K.M. Gayathri, Chief Executive Officer, Zilla Panchayat, Mysuru, Ashaad Ur Rahman Shariff, Commissioner, Mysuru City Corporation, S.R. Prajapati, Senior Officer, Indext-C, Gujarat, Dr. Yathindra Lakkanna, Director, National Institute of Fashion Technology, Ministry of Textiles, R.S. Shah, Manager (Class-1) Indext-C, Gujarat, Dr. Snehal Makwana, Manager (Marketing), Indext-C, Gujarat, will be the chief guests.

The entire event is being conducted under the guidance of Pravin Solanki, Chairman, Indext-C and Secretary - Commissioner, Cottage & Rural Industries, Government of Gujarat.

Jain youths lend a helping hand to adopted Govt. School

Mysuru, July 4 (KS)- Helping Hands, a city-based Jain youth organisation, donated school bags, books, shoes, socks, water bottles and stationery items to students of its adopted Government School at Ittigegud in city recently.

Speaking on the occasion, Helping Hands Secretary Anand Patwa highlighted the various activities of the organisation and advised the students to focus on studies, work hard and become responsible citizens of the country. He also asked the teachers to give individual attention to the students and help them excel in studies.

Anand also thanked Dilip Ganna and Prakash Gandhi for sponsoring school bags and socks besides thanking former Corporator Chaya Devi for getting the school painted. Helping Hands President Mahaveer Khabiya, Treasurer Rajan Baghmar, Project Director Prakash Gandhi, Members Manohar Sankala, Sampathraj Baghmar and Goutham Patwa, CRP Veenashree, Head Mistress Annapurna, Gladys, teachers, staff and others were present on the occasion.

Larvae survey, awareness on dengue prevention in Mysuru district

- State Govt. fixes rates for dengue tests in private hospitals, diagnostic labs
- Rs. 600 fixed for NS1 antigen and IgM tests

Mysuru/Bengaluru, July 4 (MTY&Agencies)- In a bid to prevent and control the spread of dengue in the district, the Health Department has taken up larvae survey and awareness on dengue among the public.

According to Health Education Officer Munindramma, awareness on dengue is being created by distributing handbills containing information on dengue prevention to the public.

She further said that, ASHA workers and staff of Primary Health Centres (PHCs) are visiting house-to-house and conducting larvae survey. They are looking for discarded tyres, empty coconut shells, fresh water storage containers like drums and cement tanks, as Aedes Aegypti mosquitoes, which spread dengue, breeds in fresh water.

The PHC staff and ASHA workers, after identifying the larvae, inform the same to the residents and are destroying the larvae in front of them, the Health Education Officer added.

State Government caps dengue testing charges

The State Government yesterday issued an order capping dengue testing rates in private hospitals at Rs. 300 per ELISA NS1 antigen and IgM antibody test.

A total of Rs. 600 has been fixed for two types of tests — Rs. 300 each for NS1 antigen test and IgM testing. Private hospitals and laboratories are prohibited from charging more than Rs. 600 for these tests as per the order.

This was decided after Health Minister Dinesh Gundu Rao met the officials of the Bruhat Bengaluru Mahanagara Palike (BBMP), Urban and Rural Development Departments at Vidhana Soudha here yesterday.

While Government Hospitals conduct dengue testing and treatment for free, the charges for dengue tests, including the rapid screening tests, in private hospitals and diagnostic laboratories vary between Rs. 500 and Rs. 1,000, often offered in fever packages.

The Health Minister, who has already held a meeting with the officials and issued instructions about precautions to control dengue, will convene a meeting via video conference with Deputy Commissioners, ZP CEOs and officials concerned today.

Mallikarjun Kharge to be Karnataka CM?

Mallikarjun Kharge

Bengaluru, July 4- Even as the faction war in Karnataka Congress rages regarding the demand for a new Chief Minister by some quarters within the party, creation of a couple of additional Deputy Chief Minister posts and change of KPCC President, the Congress High Command in a bid to douse the dissension fire, is said to be mulling on making AICC President Malliakarjun Kharge the next Chief Minister, after gaining consensus over his appointment.

By brining the name of Mallikarjun Kharge to the fore as the next CM, the Congress plans to kill two birds in one stroke — quelling dissidence and factionalism in the State Congress Unit and Kharge would be the first Dalit Chief Minister of the State in case he occupies the CM post.

By appointing Kharge as the next Chief Minister for the remaining term, the Congress hopes to bring about a truce between the warring factions who are reportedly indulged in shadow boxing — one led by Chief Minister Siddaramaiah and the other by Deputy Chief Minister D.K. Shivakumar.

If Mallikarjun Kharge is indeed made the Chief Minister, D.K. Shivakumar is likely to continue as the Deputy Chief Minister and the current Major Industries Minister M.B. Patil, said to be a strong supporter of Chief Minister Siddaramaiah, as another Deputy Chief Minister. The Congress High Command is said to have hinted about this possible change when CM Siddaramaiah and Deputy CM Shivakumar met the Party top brass in Delhi earlier this week.

Once Siddaramaiah steps down as the CM, he is likely to be made the KPCC President or given a prominent post in the AICC. As soon as the Congress High Command takes a decision on replacing the incumbent CM Siddaramaiah with Mallikarjun Kharge, the veteran Congress leader will have to step down as the AICC President and as well as the Leader of the Opposition in the Rajya Sabha.

Top Congress leaders Sonia Gandhi and Opposition Leader in the Lok Sabha Rahul Gandhi are keen to see Kharge, who is considered as a die-hard loyalist of Gandhi family, as the Chief Minister of Karnataka and thus become the first Dalit CM of the State.

Compulsory jobs for Kannadigas

Karnataka Rakshana Vedike stages dharna; seeks legislation

Mysuru, July 4 (MTY&TRR)- Activists of Karnataka Rakshana Vedike, a pro-Kannada organisation, staged a protest in the city on Monday, demanding compulsory jobs for Kannadigas in the State through the formulation and implementation of necessary legislation.

The Vedike activists assembled near the new DC Office in Siddarthanagar to stage their protest. "Kannadigas are supreme in Karnataka. However, jobs meant for Kannadigas are being given to people who speak other languages. Many people from other countries are migrating to Karnataka and settling in cities like Bengaluru, Mysuru, Mangaluru and others. As a result, Kannadigas are not getting jobs. Therefore, the State Government must formulate and implement laws to protect the interests of Kannadigas," demanded the protestors.

Stating that Kannadigas have been fighting for their rights in Karnataka for decades, the protestors noted that the Dr. Sarojini Mahishi Report is still not implemented.

Private organisations are appointing people from other States, violating State Government rules. Despite the State Labour Department amending rules in 2019 and directing organisations to appoint Kannadigas, the rules have not been properly implemented.

The Government must show the will to ensure justice for the local people under the Industrial Employment (Standing Orders) Act 1946 and provide reservations for Kannadigas in employment, urged the protestors.

They also demanded that C and D-category jobs in all private firms be reserved for Kannadigas and that 80 percent of other jobs be reserved for Kannadigas. The rule that considers outsiders residing in Karnataka for more than 15 years as Kannadigas must be changed and those who pass Kannada writing tests should be considered Kannadigas.

The protestors said that the Kannada Development Authority must be given the power to ensure the implementation of Government policies in this regard.

Karnataka Sena Pade protests scams in MUDA

Mysuru, July 4 (GA&TRR)- Alleging large-scale irregularities in the Mysuru Urban Development Authority (MUDA), activists of Karnataka Sena Pade staged a protest on Sunday, demanding action against those responsible.

The protestors assembled in front of the MUDA office on JLB Road, claiming that approximately 4,000 to 5,000 sites have been illegally distributed by MUDA, resulting in an unprecedented land-grabbing scam.

The protestors highlighted that alternative sites have been illegally allotted despite a government order prohibiting the allotment of alternative sites except under exceptional circumstances and with government permission. They estimated the total amount involved in the scam to be around Rs. 3,000 crore, stating that the State exchequer has lost thousands of crores due to this scam.

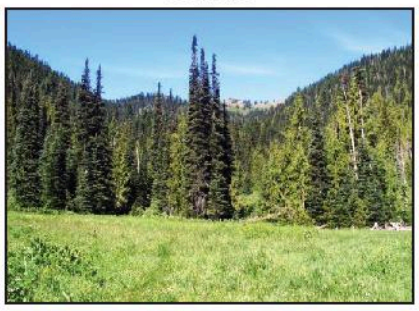
The protestors accused MUDA Chairman of distributing valuable sites in high-end localities of Mysuru as alternative sites to those who have sites in distant villages, allegedly destroying many files in the MUDA office to cover up the irregularities. They noted that 146 files related to various sites were found at his residence, raising suspicions about his involvement.

The activists compared this scam to the Maharshi Valmiki Scheduled Tribes Development Corporation scam, suggesting that some influential persons in the State Government might be involved in this organised scam. They demanded that the State Government conduct an impartial and transparent probe into the alleged irregularities.

District President of Karnataka Sena Pade, Tejesh Lokesh Gowda, along with M.B. Prabhushankar, Krishnappa, Kumargowda, Shivalingaiah, Amba Urs, Neha, and others participated in the protest.

WORD OF THE DAY

Glade



Pronunciation: GLAYD (Noun)
Meaning: A glade is a grassy open space in a forest.
Origin: In his poem "After the Winter," Jamaican-born poet & novelist Claude McKay writes of a "summer isle / Where bamboos spire to shafted grove / And wide-mouthed orchids smile," declaring that "... we will build a cottage there / Beside an open glade ..." It's a serene, joyous vision offered to speaker's beloved, and it may shine a bit of light on etymological connection between glade and adjective glad, besides. Glade, which has been part of English language since the early 1500s, was originally used not just to indicate a clearing in the woods but often specifically to refer to one filled with sunlight (note that McKay specifies that his glade is "open," as glades can be in full or partial shade). It's this sunniness that has led some etymologists over the years to suggest a connection with glad, which in Middle English also meant "shining." To further the intrigue, a now-obsolete sense of glade once referred to a clear or bright space in the sky, or to a flash of light or lightning.
Example: "[Elsie] Reford was no professional gardener, just a very stubborn Ontarian with a lot of money, and although she started in 1926, before the road arrived, she somehow transformed a spruce forest into a glade of delights—in a part of the world where it often snows as late as May." — Nina Caplan, Travel + Leisure, 28 Oct. 2023

THE ODD WORD

Autotelic

A person who is motivated by the deeper inner rewards of creativity immersion and 'flow.'

PHRASE OF THE DAY

Curiosity Killed the Cat

Meaning: Being too curious may bring about problems for you.
Origin: The origin of the phrase "Curiosity Killed the Cat" actually lies with a slightly different idiom, "Care Killed the Cat." The original meaning of the word "care" as used in this instance was "sorrow" or "worry," and both of these forms of negative emotions can cause stress that damages the body and mind.
Example: "Hey, I wonder what's down that street; it looks awfully dark and creepy." Answer: "Let's not try to find out. Curiosity killed the cat."
